Enrichment Activities

We receive many positive comments regarding the provision of enrichment activities that we offer at Greenleas. We have a strong commitment to the added value of learning beyond the classroom through the use of carefully planned educational visits, activities and workshops. By providing a broad and balanced curriculum that promotes spiritual, moral, cultural, mental and physical development we are helping to prepare our youngsters for the opportunities and experiences of adult life. Following positive comments last year we will continue to give you the option to pay a voluntary contribution in one payment.

Letters for each year group will be sent out shortly. For trips that we were unable to fulfil last year a credit will be shown on the letter.
