Eco-Wreath Making Event

Many thanks to Mrs Hazlehurst for organising such a successful event. Everyone left the workshop with a wonderful creation to hang on their front door. The creative talents of the Greenleas community shone through once again! Many thanks also to the FOG team for supporting this event.

The Christmas postbox is now in place by the school office. If the children would like to post cards to friends can they please put full name and class name on the envelope.

Don't forget you can put any used stamps in the bin at the office, the collection supports leukaemia research
