

# Ask Me About...

Hi All,

Welcome back to Spring Term. We trust you and your families had a lovely and restful Christmas. We are so proud of how seamlessly the children have returned to school this week, showing wonderful enthusiasm and a real eagerness to their learning.

Here are our Ask Me About... moments for the last few days, these may start up a discussion with your child:

- Our visits from Mike our Caretaker and Jeff the Vicar
- Hospital Role Play Area
- Our teddy bear hospital
- Phonics: ai, ee, igh, oa
- Maths: The number 5

## Twitter:

Remember to follow us on Twitter (@greenleasps)...we will be posting regular updates. If you are happy for your child to be photographed for Twitter, please let your class teacher know.

## Maths Challenge:

Can you use objects in your house to make 5 in different ways?

For example, 3 cars and 2 buttons, add together to make 5. You could then try this for different numbers.

## A plea...

Please can you bring in any kitchen/toilet roll tubes. They are very useful when constructing our 'masterpieces' in our junk modelling area.

Have a lovely weekend, many thanks,

The F2 Team 😊
