

Ask Me About...

We have some seriously wonderful Superheroes here in F2. It has been a busy week where there has been some great writing and maths work produced. There has also some wonderful enrichment activities that the children have loved!

Here are our Ask Me About... moments for the last few days, these may start up a discussion with your child:

- Phonics: ur, ow, oi, ear
- Maths: capacity
- DT day: designing and making a vehicle
- Visit from a Greenleas Parent who is a Paediatrician, the children loved listening to how he cared for people.
- A visit from the Police- we had parent Police Officers come to visit and they brought their vehicles along to. The children loved this experience too!
- Superhero Storyboards

Maths Challenge:

Take plastic tubs, bottles and containers of different sizes into the bath or washing up bowl and practise capacity work.

Can children use key language such as empty, full, fill, pour?

Friday 2nd February is our Maths workshop. If you would like to attend, please fill in the Google Form that will be emailed to you today.

Have a lovely weekend, many thanks,

The F2 Team 😊
