10<sup>th</sup> May 2024

Dear Parents and Carers,

It appears that the weather is finally starting to pick up. As the children feel warmer in school, they will be taking off jumpers and outer layers so please do make sure all items are well labelled with their name so that we can return them if they get lost. Additionally, can you please ensure children have a bottle of water (no juice) with them every day. Thank you.

### Y4 Barnstondale

Despite very little sleep, our children in Year 4 had a wonderful time at Barnstondale. They were great ambassadors for Greenleas, embracing a range of activities with eagerness and exemplary behaviour. I imagine they came home bursting with many stories to share! My thanks goes out to the staff for giving up their own time to take the children on this memorable overnighter. I would also like to thank you, as parents and carers for supporting the trips we offer in school.

### A message for our Year 6 children

The children have been working incredibly hard over the year, whilst we wish them all the very best of luck for their tests next week, we should also acknowledge their excellent attitude and commitment towards their learning throughout their time at Greenleas.

Early nights are especially important over this weekend and during SATs week so that the children are ready to show off their learning and do their best. Enjoy a relaxing weekend!

From Monday to Thursday next week, children in Year 6 are welcome to come into school at 8:30am for a light breakfast and some wellbeing activities to help relax them for the day ahead.

**A plea to all families across the school...** next week please arrive promptly by 8:55am daily to ensure that there is no disruption to our Y6 children starting their tests. Access across the building and staffing capacity is limited when tests are taking place in the hall. Thank you.

### Reminder: Our Summer Census TEX MEX THEMED LUNCH is Next Thursday!

All our children in F2, Y1 and Y2 are entitled to a free school meal throughout the year. The government funds this initiative, and Thursday 16th May is the school census day, from which the level of funding for these meals is allocated. It is therefore important that as many F2, Y1 and Y2 children have the school lunch on census day to ensure that the school is funded sufficiently for this initiative. Children in KS2 can join in the lunch fun for £2.89. A great way for Y6 to celebrate the end of SATs!

Please complete your choice through ParentPay. If you have already booked a meal in advance for this date, please reselect as the choice will be updated to reflect our themed lunch. Your support is greatly appreciated.

## General Reminders

- School lunches must be ordered by 8am on the day.
- School starts at 8:55am. Children can arrive from 8:45am-8:55am.
- Keep personal belongings brought into school to a minimum. We still have a number of children bringing in large rucksacks, we do not have the space on coat pegs or in classrooms.
- Wear PE kit on PE days (white t-shirt, black/dark joggers and green sweatshirt/hoodie)
- Bring a labelled water bottle daily (no juice please).
- Dogs are not allowed on school premises, even if they are carried.
- Please check Arbor, ParentPay and the website frequently for important updates.
- **School Streets is in operation between the hours of 8:30-9:30am and 2:30-3:30pm, please adhere to the restrictions to reduce congestion and help keep our community safe.**

## Wake Up Wednesday Top Tips Update

This week it discusses the online safety risks of the video game Helldivers 2 and offers advice on how to safeguard younger players.

## Governing Board

Our Governing Board is made up of staff governors, parent governors, an LA governor and co-opted governors. We currently have two vacancies on our Board for co-opted governors. This can be anybody within the local community of Wirral. Co-opted governors can make the link between the world of work and education and constructively support the success of their local school. You don't have to be an expert in education and we welcome interest from all walks of life to bring different perspectives and views. These roles are a rewarding and effective way of making a voluntary contribution to the lives of local young people. If you are interested in our children's future, have energy and enthusiasm, and want to help with the direction of the school's future, please send an expression of interest to the school office marked for the attention of the Headteacher.

Best Wishes for a lovely weekend.

Mrs Sharon Edwards
