21st June 2024

Dear Parents and Carers,

The sun is shining ready for our youngest children to have fun at their Sports Day this morning. Thankfully, the weather has been kind to us for all of them this year! As well as having fun, Sports Days help nurture and develop skills for life - winning and losing is an important lesson in life, managing expectations, recognising the need to apply oneself, respecting the efforts of others and promoting physical and mental wellbeing. It is lovely to witness the children's positivity, determination and team spirit during practices and the main event. Many thanks for your support with coloured t-shirts and your attendance on the day.

Continuing with sporting success...

A huge well done to Meghan, a talented and hardworking gymnast. This week, she attended a special presentation with the Mayor to receive a bursary to support her compete in further championships. We are so proud of your commitment and success to date Meghan!

Wake Up Wednesday Top Tips Update

This week it is top tips is for promoting physical wellbeing.
