28th June 2024

Dear Parents and Carers,

The end of June already! We seem to be rapidly gathering pace towards the end of term and after this week we will have just 3 weeks left before the end of this academic year.

This week, as well as summer term assessments the children have had the opportunity to engage in a variety of exciting activities. Our children in Year 5 have excelled with their Enterprise Project - we definitely have some future candidates for The Apprentice! The rest of the school had great fun at the stalls, as well as raising lots of money for a worthwhile cause. Well done to everyone involved.

On Wednesday, our Year 6 children came back from their action packed trip to the Conway Centre with many tales to tell! The children seemed to have a wonderful time, their behaviour was excellent and they were superb ambassadors for Greenleas. Well done Year 6! A special thanks go out to the staff – Mrs Higgerson, Miss Griffin, Mrs Cecchini and Mr Allen, plus our governor volunteer Mrs Wilkinson for giving up their own time to take the children on the trip. I know we all enjoy seeing the children challenge themselves in many different ways. I would also like to thank you, as parents and carers for supporting the trips we offer in school, without your monetary contributions they would not be able to take place.

Transition

We have started to prepare your children for transition and the next stage of their learning journey. Secondary staff have been into school to meet with our Y6 children and their teachers to support a smooth transition to new schools. For the rest of the school, next Wednesday the children will spend the day in their new classes. Y6 children will visit their secondary schools.

As mentioned earlier in the term, our staffing structure for next year is as follows:
