12<sup>th</sup> July 2024

Dear Parents and Carers,

Fingers crossed that the weather remains dry for our Summer Fair tomorrow. Gates will open at 11am. We look forward to seeing you there.

As a reminder, if you would like to purchase any Grand Draw tickets please print your name and contact number on the back and return to the School Office with the money in the envelope provided by the end of today. Tickets will also be available to purchase at the Fair. Prizes will be on show.

### Reports- due out today!

We are extremely proud of all our children's achievements this year. We hope through the report we give you a clear indication how much your child has risen to all aspects of school life and the progress that they have made. Your feedback is always appreciated so please return the report acknowledgement slip that was with the report.

Summer Work Celebrations will take place from 3:15pm-4:00pm on Monday 15th July 2024 in classrooms. We hope you can come and celebrate the work your child has completed this year. Following this, children will be able to take home their workbooks.

### Year 6

The final week for our Year 6 children is on the horizon. On Tuesday 16<sup>th</sup> July 2024 they will perform in their Leavers' Play/assembly. Tickets have been issued for this. Then on the Wednesday, we have arranged for them to have some fun inflatable activities. The Year 6 children will not need to bring any lunch as FOG will be providing them with pizzas etc.. as a treat. This year FOG have also paid for them all to receive a Year Book.

### Governing Board

Our Governing Board is made up of staff governors, parent governors, an LA governor and co-opted governors. We currently have two vacancies on our Board for co-opted governors. This can be anybody within the local community of Wirral. Co-opted governors can make the link between the world of work and education and constructively support the success of their local school. You don't have to be an expert in education and we welcome interest from all walks of life to bring different perspectives and views. These roles are a rewarding and effective way of making a voluntary contribution to the lives of local young people. If you are interested in our children's future, have energy and enthusiasm, and want to help with the direction of the school's future, please send an expression of interest to the school office marked for the attention of the Headteacher.

Warmest Wishes
