

Ask Me About..

Ask Me About...

We've had a fantastic first week in F2, and the children have settled in wonderfully. We're so proud of them!

When you ask your child what they did in school, they might often reply with "nothing" or "I can't remember." To help spark a conversation at home, we'll keep you updated each week on what we've been up to in class.

This week, we explored nursery rhyme sacks and had fun guessing the rhymes from the items inside. The children confidently sang and signed along with us!

Yesterday, the children found their names and placed them on our class Sun. Throughout the day, they have the opportunity to move their names onto our class Rainbow by showing kindness, working hard, and doing their best.

We've also introduced our 'Give Me 5 Listening Rules' during carpet sessions, which we'll continue to use throughout the year.

The children have enjoyed time in our Outdoor Classroom, riding bikes and scooters, singing on the stage, and playing in the construction area.

A highlight was meeting their Year 6 buddies. This new friendship will grow over the year, and the Year 6 students have already been helping in the lunch hall and at playtimes. We've also introduced our wrap-around staff so that the children are familiar with them.

Here are our "Ask Me About..." moments from the past few days:

- Nursery Rhyme Sacks
- Give Me 5 Listening Rules
- Bella and Sam, our class puppets
- The Sun and the Rainbow
- Meeting Our Year 6 Buddies

Next Week:

On Monday, we'll start sharing weekend news. If your child has something they'd like to show and talk about, such as a stick from a walk in the woods, feel free to bring it in. We can add it to our news display.

Have a great weekend! See you next week.
The F2 Team
