

# Ask Me About...

It has been a mixed bag with the weather this week, but the sun is always shining in Nursery! It has been fantastic to see the children getting so involved with their learning. Some highlights from this week include;

- Reading our focus texts - The Three little pigs and Rosie's Walk
- Playing simple rhyming games and asking the children to predict the rhyme in a familiar story (Julia Donaldson is great for this!)
- Learning how to wash our hands and why this helps us stay healthy
- Positional language (linked to Rosie's walk) e.g. under, over, next to, behind.
- Parachute and circle games outside

## Share a story reading session

We would like to invite you into Nursery on Wednesday 23<sup>rd</sup> October at 2.30pm. The aim of this session is to share a story with your child, before listening to a special Halloween themed story read by Mrs Johnston. The session will finish at 3.15pm. Any children who do not attend nursery on this day / session, and would like to attend, are very welcome - please just let us know. A grandparent or family member is welcome to attend if parents are working.

## Autumn homework for the weekend!

Next week we will be learning all about Autumn. We would love it if the children could collect some Autumn leaves, conkers etc to bring into school next week. We will be creating an Autumn display and will be doing some leaf printing.

## Wet weather clothing plea

We are keen for the children to get outside in the fresh air in all weathers, and are wondering if any families have any spare wellies / puddle suits they would be willing to donate to nursery. Thank you!

Have a lovely weekend

Nursery Team
